It is understood that this document in conjunction with the "original contract" (if applicable) or Standard Customer Service Agreement signed by the customer (municipality/HOA) is a commitment to continue service under the "same terms and conditions" "scope of work" as originally agreed to as specified in the contract/agreement.

***Individually billed HOAs payment method is an obligation established solely between ID and the homeowner.** Any increase in house counts, additional services; local, state or federal government taxes, fees or surcharges imposed during contracted period will increase billing. Contractor (Industrial Disposal Co.) reserves the right to request an annual CPI (Consumer Price Index) increase. Operating increases : Unpredicted uncontrollable significant increase in expenses such as diesel fuel costs / oil based additives, landfill / environmental charges, fees, surcharges, taxes beyond our control may increase billing at the agreement of HOA board and ID.
